1. Log on to your account via Virtual Branch.
2. Click on the "Self Service" tab.
3. Go to the "Additional Services" area and select "Mobile".
4. Click OK.
5. Check the box that says "I accept these Terms and Conditions" then click "Continue".
6. Choose the services that you want. The apps can be downloaded with the links provided, or a link can be sent to your phone. Check the boxes for other service on the right (Mobile Browser, Text Messaging, Alerts). A comparison of services is found at the bottom.
7. If you chose Mobile Browser, Text or Alerts, you will need to select your time zone and the accounts to use for these services. The "Mobile Banking Nickname" is used for texting and should be very short. Click Continue.

9. It will then tell you that activation has been successful and will text you instructions on how to access the services.
